DETAILED ACTION

Response to Amendment

1. Amendment filed 28 July 2003 (Paper No. 18) has not been entered in part. The amendment to the specification has not been entered because the new procedure outlined in the official gazette which was published around February 25, 2003 was not followed. Claims 21, 23, and 25-27 has been treated as if entered and claims 22 and 24 has been canceled.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Applicant's arguments filed 28 July 2003 (Paper No. 18), have been fully considered but they are not found persuasive.

Claim Rejections - 35 USC ' 102

4. Claims 21, 23, 25-27 are rejected under 35 U.S.C. 102(b) as being anticipated by Harpold et al.(US 5,429,921).

The reason for the rejection has been set forth in the previous office action.

Applicants argue that the claims' closed language term "consist" is not taught by Harpold et al. However, the term "comprising" preceding the term encompasses a larger protein as disclosed by Harpold et al. Harpold et al. disclose polypeptides comprising SEQ ID NO:25 amino acid sequences which are 100% identical to claimed

Art Unit: 1646

SEQ ID NO: 14-17. Harpold et al. disclose TrpE fusion protein fragments (column 12) which are designed for secretion and purification of the protein.

5. No claims are allowed.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
